MINUTE FOR MISSIONS

Praying for each other: Superb Mennonite Church thanks you for your prayers and support of our congregation. We are a small congregation (usually seven attending now in the winter) and have just found out another couple will be moving away from the area in June. As such, we are in the beginning stages of shutting down our church. This is an emotional and challenging time. There is a lot of work to do – physically, mentally and emotionally. While it is difficult to be excited about anything at this time, we are feeling good about what we have done and who we have been as a congregation. We are still home to many more than attend. Superb is a special place & I feel blessed to have been part of it for 15 years. We are looking towards the end of May as a final service & celebration, which will include an invitation to previous clergy & recent members as well as looking to include someone from the conference. We are beginning our land titles work to return the property to the farmer where our building resides as well as making formal motions to disperse our assets, etc. We are thankful for your prayers & support.
