MINUTE FOR MISSIONS

Praying for Each Other: MC Sask Pastoral Leadership Commission asks for your prayers in two areas: One, for wisdom as we seek to equip our pastors for ministry to our churches; and two, that our congregations will be led to encourage, and nudge, people toward discerning pastoral gifts.

MCC Connects: We would like to draw your attention to the newly released children's book Nutai's Cap by Bob Bartel! Bob (who grew up in Waldheim) and his family worked with MCC in Labrador from 1986-89 supporting the Innu people - engaging with them in protests for their rights and land. Nutai's Cap is a moving story of determination and protest, written in English as well as two other languages common to the Innu people. This book can be found at a bookstore near you!

CMU Connects: What might recent discoveries in the cosmos tell us about our understanding of scripture, God, and ourselves? Explore this question with Dr. Deborah Haarsma, this year's CMU Scientist in Residence, in her free public lecture entitled, 'God and the Multiverse'. Dr. Haarsma is President of [BioLogos](#), and former professor and chair of the Department of Physics and Astronomy at Calvin College. Wednesday, February 5, 7:00 PM, Marpeck Commons. *This event will be live-streamed.* cmu.ca/sir

Face2Face - Us and Them: How did we become so polarized? Join a former radio host, mediator, farmer-writer, and student to explore why our public and churchly discourse is so often characterized by 'us and them' divisions between people and groups who see and understand the world differently. Reimagine the role of listening, dialogue, patience, and bridge-building with those with whom we differ. *This event will be live-streamed.* Monday, February 10, 7:00 PM, Marpeck Commons cmu.ca/face2face/

ReNew: Resourcing Pastors for Ministry conference takes place February 11 – 12 at CMU. The conference' theme 'Christians are Made, Not Born: Transforming Faith Formation' will explore how we might more faithfully nurture faith through all stages of life and within the whole congregation. Keynote speakers include Dr. Andy Root, Professor and Chair of Youth and Family Ministry at Luther Seminary, Minnesota; Tom Yoder Neufeld, Professor Emeritus, Religious and Theological Studies, Conrad Grebel University College; and Lynda Loewen, Instructor of Psychology at CMU. See www.cmu.ca/renew for details.

Students in grade 11 & 12, check out the Discover Outtatown day on Saturday, February 22, from 9:00 AM until 3:00 PM. Learn about Winnipeg's inner-city, experience wall-climbing, and discover how a year on Outtatown will shape your faith and how you see the world. Remember, CMU pays **up to \$400** of your total travel cost to Winnipeg! Go to <https://enrolment.cmu.ca/register/discover-outtatown-feb-2020> for details.

As people of peace in a world with much violence, the Canadian School of Peacebuilding is a great place to learn peacebuilding skills, to connect with other peacebuilders, and to hear inspiring stories. Come join our wildly diverse community for a 5-day session, Jun. 8-12 or 15-19, 2020. Apply today at csop.cmu.ca!

In five minutes *Still Speaking* tells stories about people, places, and events preserved in documents and artifacts in the MHC Archives on the CMU campus. The goal of *Still Speaking* is to learn about the past, offer insights into the present, and emphasize the important role of archives in our church and society. Together we can listen to the people of the past "still speaking." Check out *Still Speaking* episodes at <https://www.mharchives.ca/features/still-speaking/>.
