Gathering in the Spirit...

Welcome
Opening Prayer
Call to Worship

Voice 1: To worship is to stand in awe under a heaven of stars, before a flower, a leaf in sunlight, or a grain of sand.

Voice 2: To worship is to be silent, receptive, before a tree astir with the wind, or the passing shadow of a cloud.

Voice 1: To worship is to work with dedication and with skill; it is to pause from work and listen to a strain of music.

Voice 2: To worship is to sing with the singing beauty of the earth; it is to listen through a storm to the still small voice within.

Voices 1 & 2: Worship is the mystery with us reaching out to the Mystery beyond.

TODAY: You are encouraged to look up and reflect on the MC Canada weekly worship service on YouTube. Sterling Menn. Fellowship in Winnipeg is joining together with a collection of Mennonite churches in Manitoba for this week's nation-wide service. The scripture text for this Sunday is James 1:17-27 which leads us to reflect on what true religion is all about. As we think back on this pandemic season, we are going to hear from a variety of churches about how COVID-19 has forced us to discern what the church is truly about and how that has looked like in our particular contexts.

NORTH STAR NOTES:

- Lisa Martens Bartel has been asked by Kelowna First Mennonite Church to continue on with her ministry to their church while they continue their own future discernment process that had been put on hold due to pandemic restrictions. Lisa will continue part time with KFMC from October to April 2022. Please continue to support Lisa, her family, and the Kelowna congregation with your prayers.
- Adult Sunday School classes (men, women, mixed?) will begin **September 12**. Lesson booklets are available on the shelf in the foyer. Children's classes (Ages 3-12) will begin as well. Children and teachers will be required to wear masks during the class.
- Mennonite World Conference is calling on its members around the world to love their neighbour by donating to UNICEF's campaign to share coronavirus vaccinations around the world. The Government of Canada will match, dollar for dollar, every donation made by individual Canadians to UNICEF Canada's COVID-19 vaccination fundraising campaign, up to a maximum of \$10 million, until **September 6, 2021**. Read more here: <https://mwc-cmm.org/love-neighbours-give-vaccines>
- We are out of pre-printed bulletins and invite you to submit drawings, verses, etc. for the front page of upcoming bulletins.

“Walking The Path Together” is a settler/indigenous group in Saskatchewan, committed to healing and reconciliation. The Committee has commissioned a documentary of the development of the Ancient Echoes Interpretive Centre in Herschel: a record of how dedicated local volunteers and municipal government have partnered to preserve and protect ancient indigenous archaeological sites. The Committee hopes that this documentary will challenge many other communities to take serious steps to identify, preserve and protect ancient indigenous sites in their areas. You can participate in this important “healing and reconciliation” project by sending a tax-deductible donation to: RM of Mountain View, Box 130, Herschel, Sk. S0L 1L0. *Earmark your donation “Ancient Echoes Documentary” For further information contact David Neufeld 306 249-5889
