

**June 4 House Church: Practicing an Early Church Worship Service & Potluck 10am**

The churches that Paul wrote to would have met in their homes, bringing food and other items to share amongst themselves. They would participate in worship together, sharing in the reading of scripture and other theological writings like Paul's letters, and discussing what it meant and how best to apply it to their daily lives.

Once all are gathered in the homes below, the host and scripture readers will lead us through a time of scripture reading and sharing, and through prayer time. Our scripture will be Romans 8:35-39. You may want to have a bible to read for yourself.

These early churches would have always brought food to share with each other. This sharing of food was like an act of communion with each other and with God. So please bring potluck lunch items to eat together.

If you need directions to any of these homes, please ask.
