Project Sunday - 2 ways to participate: 1. In the basement: Erika Thogersen and Joy from MCC will come with school kits to pack and share a little about the current work of MCC. 2. Outside: Joel and Ed are heading up our carpentry project. This year we will be building a dozen tiny benches for Drake school to use to make a ring of seats inside their tepee that is being raised at the start of school. This project supports the work of Truth and Reconciliation for our students here in Drake and gives them a comfortable place to sit and learn all year round inside their tepee. You may want to bring along some tools (wooden mallets and drivers) to help with this project.

Risk Taking and New Wine in New Wine Skins - Ingrid Thiessen

Many of our bible stories talk about people who took risks. Early adopters are such people. This inCERT tells of a few climate related early adopter stories including a link to the CBC program "What on Earth" which looks at fertilizer alternatives. Doyle Wiebe, a member of the Mennonite church, is trying one of those fertilizer options. <https://bit.ly/4xUzbBF>

MC Canada Connects: Canadian Mennonite Editor (1.0 FTE). Canadian Mennonite is seeking an Editor to lead the editorial vision and production of Canada's national Anabaptist publication. This role provides leadership for our print, digital and social content, working with staff, writers and contributors to produce thoughtful journalism and compelling stories that serve the diverse Mennonite community across Canada. If you're an experienced editor with strong leadership skills and a passion for faith-based journalism, we'd love to hear from you. MCC Connects: On Monday **August 17**, we're celebrating National Thrift Shop Day! This is a day to celebrate the value of thrift shops in our communities, and we encourage you to visit your local MCC Thrift Shop in Saskatoon, Warman, Rosthern, Lanigan, Herbert, or Swift Current for special sales.

In its 9th season, Grow Hope Saskatchewan is helping to support the work of MCC and the Canadian Foodgrains Bank to provide emergency food supplies and long-term food security programs around the world. Each acre sponsored represents real, tangible support for families who need reliable access to food. Thanks to your generosity, 225 of the 505 acres have already been sponsored this year! To help sponsor the remaining acres, and to read stories from Saskatchewan farmers, visit: www.growhopesk.ca.

MCC's School Kit Challenge is back! We invite you to help us pack 30,000 school kits by the end of August for children in areas of conflict or disaster, so they can receive the education they need to learn and grow. To learn more about this challenge, access a fun children's guide, and for details on being entered to win a pizza party for your School Kit packing group, visit: mcc.org/school-kit-challenge

As well, here is a short Youtube video about School Kits in Ethiopia to share: www.youtube.com/watch?v=cyP-4ZzOdjg
